**FASHION:**

It's a fairly simple process to strip a wash and scrub to get rid of any dirt and bacteria that may have the treatment effects. This is followed by the application of an anti-aging serum with cream, collagen, and amino acids to soften skin, and an essence with protein complexes designed to work on repairing damage and strengthening hair. Next, Seal, a rich emulsion to help the hair regenerate, penetrates the hair shaft thoroughly. Finally, a serum with peptides is added to seal in the treatment and locking in effects. Each step of the Double Smooth Double Hair Treatment is designed to take things to the next level, which brings us to the next part...
