# Mens wear meets wo- mens wear....

## The New Trench

Working from the bottom  
up to the top, she has  
two buttons on the waist  
and a belt with a half-inch  
slit that runs vertically. She  
has a jacket to wear over  
the dress and leave the  
buttons. "This makes it look  
a little more unbuttoned  
and more like a trench,"  
she says. "When you reach the top  
button at the waist, the  
buttons are not visible. The  
vertical slit is a touch  
of femininity. The trench  
is a little more unbuttoned  
and more like a trench, so  
it's more of a menswear  
style."
